

## Community Update

### Eurobodalla Regional Hospital Batemans Bay Community Health

November 2024

# Strengthening local health services across the Eurobodalla

The NSW Government has committed \$330 million to build the new Eurobodalla Regional Hospital and \$20 million to deliver a new health facility for the Batemans Bay community.

## Eurobodalla Regional Hospital site construction progress

Work on the new Eurobodalla Regional Hospital is progressing well with the new access road and future hospital carparking area taking shape, builders site sheds set up, and other site establishment activities underway.

Visit the project website gallery page on the [Eurobodalla Regional Hospital website](#) to see the photos from the site.

## Batemans Bay Community Health latest designs

The detailed designs show the layout of the new facility including dedicated spaces for consultation, treatment, pathology, group rooms, and a gym.

View the designs further down this update or on the [Batemans Bay Community Health project website](#).

# What is the Batemans Bay Community Health project?

The NSW Government has committed \$20 million to deliver a modern, integrated, and convenient health service for the Batemans Bay community.

Batemans Bay Community Health will be a brand-new, modern facility with more purpose-built spaces to better support healthcare teams in providing enhanced care to the local community.

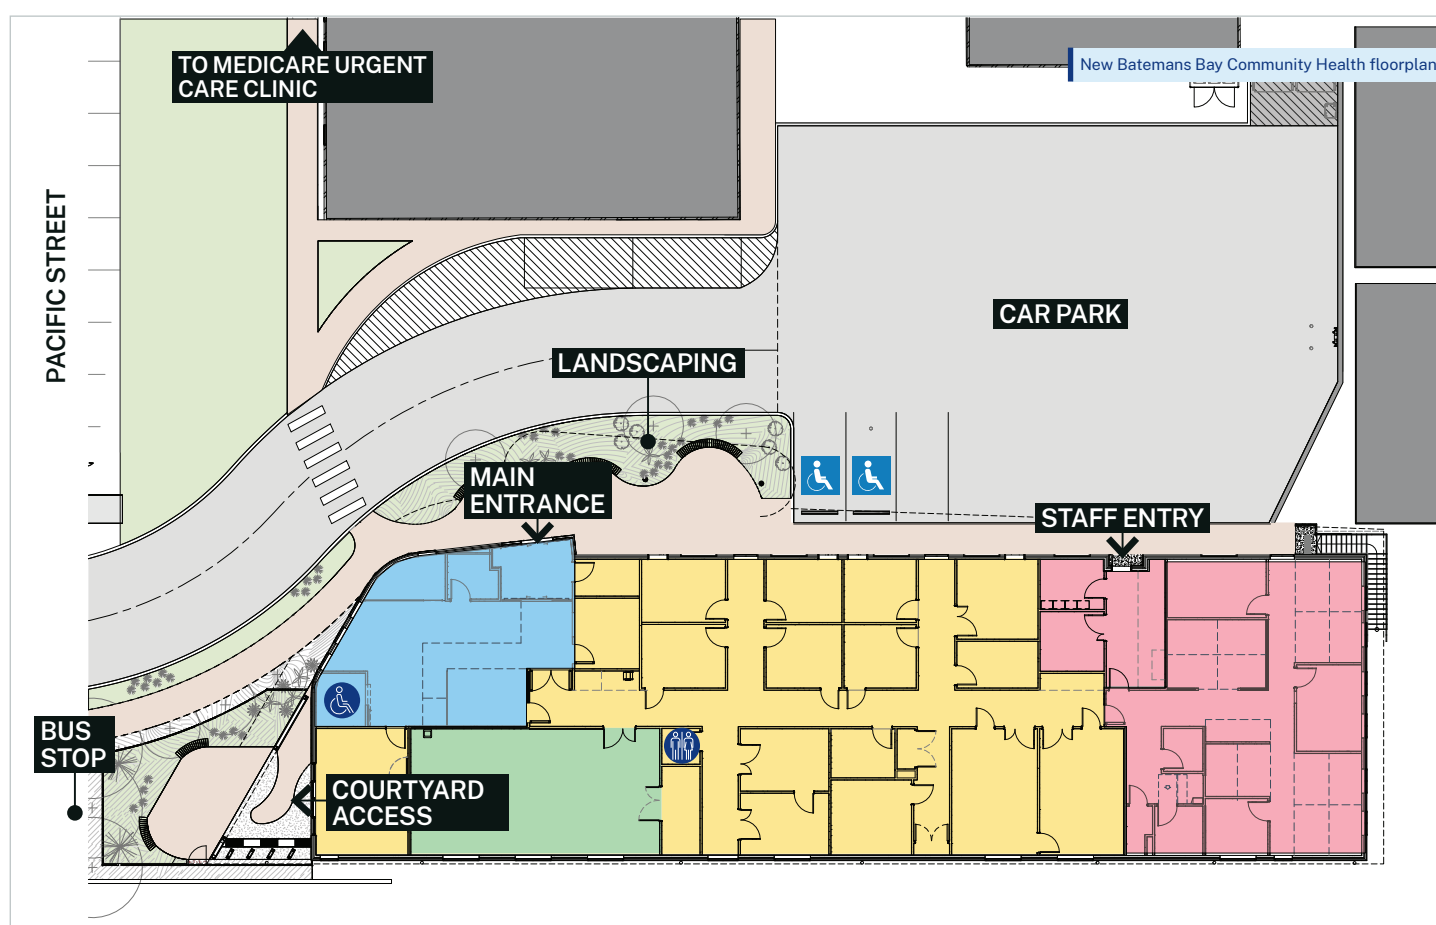

It will include interview, consultation, and treatment rooms for a range of services, a gym, as well as larger

rooms that can accommodate groups and families and be used as education spaces.

## What is a community health service?

A community health service focuses on improving health and wellbeing, preventing illness and providing treatment and rehabilitation services.

Read our latest factsheet to find out more about the services to be offered - [How will Batemans Bay Community Health work when it opens?](#)

## Meet the Expert – Kellyann Johnson

Meet District Manager for Aboriginal Health, Southern NSW Local Health District and Yuin woman, Kellyann Johnson.

Kellyann has been working with the Eurobodalla Regional Hospital project team to deliver a new, purpose-built hospital that is safe and welcoming for the whole community.

We asked Kellyann about the local Aboriginal community's involvement in shaping the new hospital and what she was looking forward to.

“The hospital environment is being informed by Aboriginal groups so it will be a very culturally, welcoming space,” Kellyann said.

“The Aboriginal health team will be located here together and be able to assist both with inpatient services as well as programs in the community.”

**Saturday 23 November 2024, 10:00am–2:00pm**  
**Soldiers Club**  
6 Beach Rd, Batemans Bay NSW 2536

## Project team brings joy to sick kids

Children visiting the Ronald McDonald Family Retreat at Batemans Bay have a new way to stay entertained thanks to a generous donation of six new tricycles from the Eurobodalla Regional Hospital project team.

The tricycles were handed over to Toni Lea-Howie and Lee Maiden from Ronald McDonald House Charities ACT & South East NSW, by representatives from Health Infrastructure, Southern NSW Local Health District, RP Infrastructure, and Multiplex, who are working together to deliver the new hospital.

Health Infrastructure Executive Director, Rural and Regional, Amanda Bock said that the tricycles, which were purchased by Multiplex, were assembled as part of a recent team-building exercise.
